

PROJECT REFERENCES

Selected Projects Across China

A selection of organic waste treatment and resource recovery projects supported by Jinyuelong Machinery. These references span diverse feedstocks, operating conditions and production capacities across China.

30	14	1.57M TONS	MULTIPLE
Selected projects	Provinces and regions	Combined listed annual capacity	Feedstocks and applications

MATERIALS COVERED

Poultry and livestock manure / Straw and branches / Sludge / Kitchen waste / Cassava and tobacco residues / Municipal solid waste / Biochar / Distillers' grains

SELECTED PROJECT REFERENCES

Projects 01-10

Representative installations covering organic waste treatment, fertilizer production and resource recovery applications.

NO.	CUSTOMER / PROJECT	LOCATION	RAW MATERIAL	ANNUAL CAPACITY
01	Shenyang Yunken Animal Husbandry Co., Ltd.	Liaoning	Poultry manure	30,000 tons/year
02	Wopute Biotechnology Co., Ltd.	Shandong	Cassava residue	50,000 tons/year
03	Xichang Datian Biotechnology Co., Ltd.	Sichuan	Cattle manure	50,000 tons/year
04	Haofeng Liduo Biotechnology Co., Ltd.	Shandong	Poultry manure	50,000 tons/year
05	Jilin City Huadian Garbage Treatment Plant	Jilin	Municipal solid waste	20,000 tons/year
06	Jiuquan Funong Biotechnology Co., Ltd.	Gansu	Sheep manure	30,000 tons/year
07	Hefei Feifan Biotechnology Co., Ltd.	Anhui	Kitchen waste	30,000 tons/year
08	Aoganlin Biotechnology Co., Ltd.	Sichuan	Livestock manure and straw	30,000 tons/year
09	Kingenta International	Shandong	Distillers' grains and microbial inoculants	50,000 tons/year
10	Tumushuke Yuejiang Jinkui Agricultural Development Co., Ltd.	Xinjiang	Branches and straw	30,000 tons/year

SELECTED PROJECT REFERENCES

Projects 11-20

Representative installations covering organic waste treatment, fertilizer production and resource recovery applications.

NO.	CUSTOMER / PROJECT	LOCATION	RAW MATERIAL	ANNUAL CAPACITY
11	Dalian Taifengchang Biotechnology Co., Ltd.	Liaoning	Poultry manure	50,000 tons/year
12	Jilin Normal University	Jilin	Biochar	10,000 tons/year
13	Tangshan Meikeduo Group	Hebei	Poultry manure, straw and sludge	50,000 tons/year
14	China Energy Engineering Group Changchun Power Equipment Co., Ltd.	Jilin	Municipal solid waste	20,000 tons/year
15	Guizhou Shike Biotechnology Co., Ltd.	Guizhou	Tobacco residue and microbial residue	50,000 tons/year
16	Jilin City Huadian Municipal Sludge Comprehensive Treatment Project	Jilin	Livestock manure	20,000 tons/year
17	Shandong Runlin Biotechnology Co., Ltd.	Shandong	Sheep manure	20,000 tons/year
18	Chongqing Shengpei Biotechnology Co., Ltd.	Chongqing	Pig manure	50,000 tons/year
19	Xi'an Unilever	Shaanxi	Cattle manure	30,000 tons/year
20	Xuzhou Guoxin New Energy Technology Co., Ltd.	Jiangsu	Sludge	30,000 tons/year

Projects 21-30

Representative installations covering organic waste treatment, fertilizer production and resource recovery applications.

NO.	CUSTOMER / PROJECT	LOCATION	RAW MATERIAL	ANNUAL CAPACITY
21	Sichuan Lvke Agriculture Co., Ltd.	Sichuan	Poultry manure	30,000 tons/year
22	Beijing Qigao Biotechnology Co., Ltd., Yingxian Branch	Shanxi	Sheep manure	100,000 tons/year
23	Dezhou Weifang Institute of Technology Biotechnology Co., Ltd.	Shandong	Pig manure and sludge	50,000 tons/year
24	Qingdao Huijun Environmental Energy Engineering Co., Ltd.	Shandong	Resource recycling project; sheep manure	50,000 tons/year
25	Qingdao Kanglilai Biotechnology Co., Ltd.	Shandong	Comprehensive treatment of chicken manure	30,000 tons/year
26	Gansu Yinxian Ecological (Group) Co., Ltd.	Gansu	Livestock manure	50,000 tons/year
27	Shanxi Energy-saving Biomass Comprehensive Utilization Demonstration Project	Shanxi	Sludge	30,000 tons/year
28	Yulin Yuyang Sludge Comprehensive Treatment Project - Phase I and II	Shaanxi	Sludge	200,000 tons/year*
29	State Grid Tongliao Bioenergy Project	Inner Mongolia	Straw and sludge	30,000 tons/year
30	Dalian Zhuanghe Huanghai Industrial Co., Ltd. EOD Project	Liaoning	Poultry manure	300,000 tons/year

* Yulin Yuyang project includes Phase I and Phase II, each with an annual capacity of 100,000 tons. Project names and capacities are presented from customer-provided reference information.
